
My designs are featured throughout Monroe and surrounding counties.

A Typical Design Experience

- An in-depth interview to determine wants, needs, and desires.
- Concepts are sketched, time tables are established and color presentations given when needed.
- The coordination of all installations is over-seen.
- When finishing touches are completed, a final walk through is arranged.
- Creative and management support for all projects undertaken is supplied.
- Another client is proud of their newly redecorated surroundings.

“Working to provide design versatility, quality of products, client interaction and service through creative innovations with proven results.”

Serving Commercial & Residential Clients

A well designed home or office interior establishes the fact that you are a professional offering quality and value to those around you.

Your image is important, whether or not you are considering **Interior Concepts'** service for your design planning.

Interior Concepts is an accomplished design firm. Your project, regardless of the size, is managed from start to finish.

Following is a list of our services for your reference.

- Space planning & design
- Window Treatments
- Wall coverings
- Floor materials
- Furniture and fabric selections and purchasing

● **Window Treatments**

Endless varieties of window treatments are available.

- Vertical blinds
- Pleated soft shades
- Mini blinds
- Custom fabric treatments including coordinated bed accessories

● **Wallcoverings**

Considerable time is spent researching product lines to complement a design.

Interior Concepts investigates any additional suppliers of interest to clients, and continually updates information.

● **Flooring and Carpeting**

A variety of floor coverings are available:

- Ceramic tile
- Marble
- Wood
- Carpets and/or rugs

These can be used to dress up any home or office

● **Furniture**

Relationships are maintained with upstate's largest wholesalers to obtain the finest products without purchasing through retail outlets.

Expert upholstery is also available where desired.
